

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

PHOEBE LEE,

Plaintiff,

v.

JOHN DOES # 1-3,

Defendants.

CASE NO. 2:23-cv-02008

ORDER

Before the Court is “Discovery Matter Proposed Stipulated Protective Order” submitted by Plaintiff. Dkt. # 11. Regarding what information is to be deemed “confidential,” the proposed order merely says, “information (regardless of how it is generated, stored or maintained) or tangible things that qualify for protection under Federal Rule of Civil Procedure 26(c). This is overly broad. The Court’s model order provides, “The parties must include *a list of specific documents* such as ‘company’s customer list’ or ‘plaintiff’s medical records;’ *do not list broad categories of documents such as ‘sensitive business material.’”* Model Stipulated Protective Order, ¶ 2 (emphasis added). The Court DENIES the motion without prejudice.
